Dear Shareholder,

Schroder International Selection Fund (the "Company") – changes to the distribution policy of certain share classes (the "Share Classes")

We are writing to inform you that following a recent review, we have decided to change the distribution policy for some of the Share Classes of the following sub-fund: **Schroder ISF Global Multi-Asset Income** (the "Fund"). The affected Share Classes are listed in the appendix of this letter. The distribution frequency of the Share Classes will not change.

This change will come into effect for the monthly distributions due to be paid on **11 December 2023** (the "Effective Date") based on the number of shares held by shareholders on the record date **29 November 2023** and will apply to all distributions going forward.

As disclosed in the Company's prospectus, we periodically review the fixed distribution Share Classes and reserve the right to make changes. For example, if the investment income after expenses is higher than the target fixed distribution, we may declare the higher amount to be distributed. Equally, we may deem it is appropriate to declare a dividend lower than the target fixed distribution.

The Share Class fees will remain unchanged and the costs of making these changes including regulatory and shareholder communication costs will be borne by Schroder Investment Management (Europe) S.A. which is the Company's management company.

Redeeming or switching your shares to another Schroders fund

We hope that you will choose to remain invested in the Fund following these changes, but if you do wish to redeem your holding in the Fund or to switch into another of the Company's sub-funds or share classes before the Effective Date you may do so at any time up to and including deal cut-off on **29 November 2023**. Please ensure that your redemption or switch instruction reaches the Singapore Representative, Schroder Investment Management (Singapore) Ltd before this deadline. We will execute your redemption or switch instructions in accordance with the provisions of the Company's prospectus, free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local deal cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach us before the deal cut-off given above.

We advise shareholders to read the Fund's Product Highlight Sheet (the PHS) for the relevant Share Class and the Company's prospectus, which are available at www.schroders.com.sg If you have any questions or would like more information about Schroders' products please visit www.schroders.com or contact your local Schroders office, your usual professional adviser or Schroders' Investor Hotline at +65 6534 4288.

Yours faithfully,

** This refers to the premium or discount that may apply to the distribution. Distributions may include a premium when the interest rate of a currency hedged share class is higher than the fund's base currency interest rate. Consequently, when the interest rate of a currency hedged share class is lower than the fund's base currency interest rate, the dividend may be discounted. The level of premium or discount is determined by differences in interest rates and is not part of the fund's investment objective or investment policy.*
