17 January 2023

Dear Shareholder,

Schroder International Selection Fund (the “Company”) – BRIC (Brazil, Russia, India, China) (the “Fund”)

We are writing to inform you that the constituents and the name of the Fund’s target benchmark have changed and that on **18 April 2023** (the “**Effective Date**”) the Fund’s name, investment objective and investment policy will change as set out below.

Background and rationale

Following the Russian invasion of Ukraine and subsequent sanctions, Russia was removed from the Fund’s target benchmark, MSCI BRIC (Net TR) 10/40 index. With effect from 14 July 2022 the target benchmark was renamed as MSCI BIC (Net TR) 10/40 index. This change will be reflected in the Company’s Hong Kong offering documents. In this context there was an additional review of the Fund and it was decided to remove Russia from the Fund’s investment objective and policy and to change the name of the Fund accordingly.

Investment objective and policy change

From the Effective Date, the Fund’s investment objective and policy will change as shown in Appendix 1.

Name change

From the Effective Date the Fund’s name will change from “Schroder International Selection Fund BRIC (Brazil, Russia, India, China)” to “Schroder International Selection Fund BIC (Brazil, India, China)” and the Chinese name of the Fund will change from “金磚四國(巴西、俄羅斯、印度、中國)” to “新興三國股票(巴西、印度及中國)”.

Implication of the changes

In the context of the unprecedented geo-political situation caused by Russia’s invasion of the Ukraine and the resultant impact of sanctions and the actions of governments and market

counterparties on certain Russian issuers and assets, the Fund's residual holdings in Russian assets (the "**Russian Assets**") are currently valued at zero. The Russian Assets held by the Fund were USD 28,349,441 (which represented approximately 3.90% of the Fund's net asset value) as of 25 February 2022, i.e. the last dealing day when the Russian Assets were being able to trade normally. As foreign investors' ability to liquidate holdings on Moscow Stock Exchange became more limited and the valuation received from the primary pricing provider was deemed unreasonable, it was decided to fair value the Russian Assets using an active market proxy and applying a 25% haircut since the dealing day of 28 February 2022. The Russian Assets held by the Fund were fair valued at USD 2,460,769 (which represented approximately 0.35% of the Fund's net asset value) as of 3 March 2022 when on the same day it was decided to reduce the value to zero because there was no ability to trade or access assets on the underlying Russian market. The Russian Assets held by the Fund will continue to be valued according to the valuation principles set out in the Prospectus, like any assets in the Fund and the Company.

The Fund will continue to hold the Russian Assets in its portfolio. Should the Russian market start to trade more normally, the Investment Manager will decide when and how to realise the Russian Assets taking into account the best interests of shareholders in line with the Fund's amended investment strategy applicable as from the Effective Date and at the best available realisable price to the extent possible so that the value will be returned to the Fund on the realisation of Russian Assets over time.

Save as disclosed above, (i) all other key features of the Fund (including the fees chargeable in respect of the Fund as stated in the Hong Kong offering documents) will remain the same; (ii) there will be no changes to the risks applicable to the Fund as a result of the changes set out above, and (iii) there will also be no material change in the operation and/or manner in which the Fund is being managed as a result of the changes set out above. The changes are not expected to materially prejudice the rights or interests of existing investors.

The Hong Kong offering documents of the Company will be revised to reflect the above changes and will be available free of charge at www.schroders.com.hk¹ or upon request from the Hong Kong Representative of the Company, Schroder Investment Management (Hong Kong) Limited.

Costs and expenses in respect of the changes

Any costs and expenses incurred in the changes including legal, audit and regulatory charges, which are estimated to be approximately less than 0.01% of the net asset value of the Fund, will be borne by the Fund. Such costs and expenses are expected to be insignificant.

Redeeming or switching your shares to another Schroders fund

We hope that you will choose to remain invested in the Fund following these changes, but if you do wish to redeem your holding in the Fund or to switch into another of the Company's sub-funds authorized by the Securities and Futures Commission ("**SFC**")² before the Effective Date, you may do so at any time up to and including the dealing cut-off at 5:00 p.m. Hong Kong time on **17 April 2023**.
