Schroder Investment Management (Europe) S.A., as the Management Company to Schroder International Selection Fund, accepts full responsibility for the accuracy of the information contained in this letter and confirms, having made all reasonable enquiries, that to the best of its knowledge and belief there are no other facts the omission of which would make any statement misleading.

24 February 2022

Schroder International Selection Fund ("Company") - Global Emerging Market Opportunities (the "Fund")

Dear Shareholder,

We are writing to advise you that the investment policy and the Chinese name of the Fund will change with effect from 30 March 2022 (the "Effective Date").

From the Effective Date the Fund will incorporate binding environmental and/or social characteristic(s), within the meaning of Article 8 of Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability related disclosures in the financial sector ("SFDR").

Rationale

We believe that incorporating sustainability factors into the Fund's strategy aligns with the increasing desire among investors to put their money into investments that can clearly demonstrate their sustainability credentials and the new Chinese name better reflects the investment objective and policy of the Fund.

Changes

From the Effective Date, the changes to the Fund's details in the prospectus of the Company will be as follows:

- Wording reflecting the environmental and/or social characteristics will be added to the Fund's investment policy;
- A new section called "Sustainability Criteria" will be added to the Fund Characteristics section of the prospectus to detail how the Fund will seek to achieve its environmental and/or social characteristics;
- New sustainability risk disclosure will be added to the Fund's specific risk considerations; and
- Additional disclosure will be added to the Fund's benchmark section.

Full details of the changes being made can be seen in **Appendix**.

From the Effective Date, the Chinese name of the Fund will also change from “新興市場股債優勢” to “新興市場優勢”.

Save as disclosed above, there are no other changes to the Fund's investment style, investment philosophy, investment strategy, and the operation and/or manner in which the Fund is being managed following these changes.

The Hong Kong offering documents of the Company will be revised to reflect the above changes and will be available free of charge at www.schroders.com.hk¹ or upon request from the Hong Kong Representative of the Company, Schroder Investment Management (Hong Kong) Limited.

We hope that you will choose to remain invested in the Fund following these changes, but if you do wish to redeem your holding in the Fund or to switch into another of the Company's sub-funds authorized by the Securities and Futures Commission (“SFC”)² before the changes become effective, you may do so at any time up to and including the dealing cut-off at 5:00 p.m. Hong Kong time on 29 March 2022. Please ensure that your redemption or switch instruction reaches the Hong Kong Representative before this deadline. We will execute your redemption or switch instructions in accordance with the provisions of the Company's Hong Kong offering documents, free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local dealing cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach the Hong Kong Representative before the dealing cut-off at 5:00 p.m. Hong Kong time on 29 March 2022.

If you have any questions or would like more information, please contact your usual professional advisor or the Hong Kong Representative at Level 33, Two Pacific Place, 88 Queensway, Hong Kong or calling the Schroders Investor Hotline on (+852) 2869 6968.

The Board of Directors

investment universe is expected to overlap materially, directly or indirectly, with the components of the target benchmark. The Investment Manager invests on a discretionary basis and there are no restrictions on the extent to which the Fund's portfolio and performance may deviate from the target benchmark. The Investment Manager will invest in companies or sectors not included in the target benchmark in order to take advantage of specific investment opportunities.

The target benchmark has been selected because it is representative of the type of investments in which the Fund is likely to invest and it is, therefore, an appropriate target in relation to the return that the Fund aims to provide.

on the Fund's webpage, accessed via www.schroders.com/en/lu/private-investor/gfc³.

Benchmark:

The Fund's performance should be assessed against its target benchmark being to exceed the MSCI Emerging Markets (Net TR) index. The Fund's investment universe is expected to overlap materially, directly or indirectly, with the components of the target benchmark. The Investment Manager invests on a discretionary basis and there are no restrictions on the extent to which the Fund's portfolio and performance may deviate from the target benchmark. The Investment Manager will invest in companies or sectors not included in the target benchmark in order to take advantage of specific investment opportunities.

The target benchmark has been selected because it is representative of the type of investments in which the Fund is likely to invest and it is, therefore, an appropriate target in relation to the return that the Fund aims to provide.

The benchmark(s) does/do not take into account the environmental and social characteristics or sustainable objective (as relevant) of the Fund.

**Fund Characteristics:
Sustainability Criteria**

The Investment Manager applies governance and sustainability criteria when selecting investments for the Fund.

The Investment Manager performs due diligence on potential holdings, including meetings with management, and assesses the company's governance, environmental and social profile across a range of factors. This process is supported by quantitative analysis provided by Schroders' proprietary sustainability tools, which are key inputs to assess how existing and potential investments for the portfolio are meeting the Fund's sustainability criteria. In some cases, companies which fall below the sustainability criteria may still be eligible for investment if, as a result of proprietary analysis and ongoing engagement with management, the
