**About The Swiss Helvetia Fund, Inc.**

The Fund ([www.swzfund.com](http://www.swzfund.com)) is a non-diversified, closed-end investment company seeking long-term capital appreciation through investment in equity and equity-linked securities of Swiss companies. Its shares are listed on the NYSE under the symbol “SWZ.” The Fund seeks to achieve its investment objective by investing generally in Swiss equity and equity-linked securities that are traded on a Swiss stock exchange, traded at the pre-bourse level of one or more Swiss stock exchanges, traded through a market maker or traded over the counter in Switzerland. The Fund also may invest in Swiss equity and equity-linked securities of Swiss companies that are traded on other major European stock exchanges.

Closed-end funds, unlike open-end funds, are not continuously offered. Typically, shares of closed-end funds are sold in the open market through a stock exchange. Shares of closed-end funds frequently trade at a discount to net asset value. The price of the Fund’s shares is determined by a number of factors, several of which are beyond the control of the Fund. Therefore, the Fund cannot predict whether its shares will trade at, below or above net asset value.

The Fund is managed by Schroder Investment Management North America Inc. and Schroder Investment Management North America Limited.
