Dear Shareholder,

Schroder International Selection Fund (the "Company") – European Smaller Companies (the "Fund")

We are writing to inform you of correction of certain disclosures in Hong Kong offering document (comprising the Prospectus, Hong Kong Covering Document and Product Key Facts Statements ("KFS")) of the Company in respect of the Fund.

The name of the Fund's target benchmark was misstated in the investment objective of the Fund in the Hong Kong offering documents of the Company between 30 April 2021 and 30 June 2021. The correct name of the benchmark is "Euromoney Smaller Companies (TR) index" instead of "Euromoney Smaller Companies (Net TR) index". For the avoidance of doubt and notwithstanding the misstatement of the name of the target benchmark, the performance data disclosed in the KFS of the Fund is correct.

The Hong Kong Covering Document was updated to clarify the name of the target benchmark and the KFS of the Fund was revised accordingly on 30 June 2021.

The revised Hong Kong offering documents of the Company (comprising the Prospectus, Hong Kong Covering Document and the KFS) is available at the website (www.schroders.com.hk) or upon request. The website has not been reviewed by the SFC.

We sincerely apologize for any inconvenience caused.
