We have audited the accompanying schedule of Schroder Investment Management Limited; Schroder Investments Limited; Schroder Unit Trusts Limited; Schroder & Co Limited and Cazenove Capital Management Limited (the 'Companies') for the year ended 31 December 2014 ("the schedule"). The schedule has been prepared by the directors based on the requirements of the Capital Requirements (Country-by-Country Reporting) Regulations 2013.

Directors' Responsibility for the schedule

The directors are responsible for the preparation of the schedule in accordance with the Capital Requirements (Country-by-Country Reporting) Regulations 2013, for the appropriateness of the basis of preparation and the interpretation of the Regulations as they affect the preparation of the schedule, and for such internal control as the directors determine is necessary to enable the preparation of the schedule that is free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on the schedule based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
