**25 August 2022**

Dear Shareholder,

**Schroder International Selection Fund (the "Company") - Global Credit Income (the "Fund")  
Changes to the distribution policy of certain share classes (the "Share Classes")**

We are writing to inform you that following a recent review, we have decided to change the distribution policy for the Share Classes of the Fund. The affected Share Classes and the changes to their distribution policies are detailed in the appendix of this letter. The distribution frequency of the Share Classes will not change.

These changes will come into effect for the distributions due to be paid on **11 October 2022**. This is in accordance with the number of shares held by the shareholders in the relevant Share Classes on the record date **28 September 2022** and will apply to all distributions going forward.

**Background and rationale**

We periodically review the distribution Share Classes and reserve the right to make changes. For example if the investment income after expenses is higher than the target distribution, we may declare a higher amount to be distributed. Equally, we may deem it is appropriate to declare a dividend lower than the target distribution.

The Share Classes fees will remain unchanged and the costs of making these changes including regulatory and shareholder communication costs will be borne by Schroder Investment Management (Europe) S.A. which is the Company's management company.

The information on the dividend compositions of the Share Classes will continue to be available from Schroder Investment Management (Hong Kong) Limited, i.e. the Hong Kong Representative of the Company, on request and on the Schroders' Internet site ([www.schroders.com.hk](http://www.schroders.com.hk)<sup>1</sup>).

### **Redeeming or switching your shares to another Schroders fund or share classes of the Fund**

We hope that you will choose to remain invested in the Fund following these changes, but if you do wish to redeem your holding in the Fund or to switch into another of the Company's sub-funds authorized by the Securities and Futures Commission ("SFC")<sup>3</sup> or share classes of the Fund before the changes become effective, you may do so at any time up to and including the dealing cut-off at 5:00 p.m. Hong Kong time on **28 September 2022**. Please ensure that your redemption or switch instruction reaches the Hong Kong Representative before this deadline. We will execute your redemption or switch instructions in accordance with the provisions of the Company's Hong Kong offering documents, free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local dealing cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach the Hong Kong Representative before the dealing cut-off at 5:00 p.m. Hong Kong time on **28 September 2022**.

We advise shareholders to read the Fund's product key facts statement for the relevant Share Classes and the Company's offering documents, which will be available at [www.schroders.com.hk](http://www.schroders.com.hk)<sup>4</sup>.

\* This refers to the premium or discount that may apply to the distribution. Distributions may include a premium when the interest rate of a currency hedged share class is higher than the Fund's base currency interest rate. Consequently when the interest rate of a currency hedged share class is lower than the Fund's base currency interest rate, the dividend may be discounted. The level of premium or discount is determined by differences in interest rates and is not part of the Fund's investment objective or investment policy.
