

UCITS remuneration disclosures for Schroder Unit Trusts Limited ('SUTL') for the year to 31 December 2022

These disclosures form part of the non-audited section of this annual report and accounts and should be read in conjunction with the Schroders plc Remuneration Report on pages 76 to 107 of the 2022 Annual Report & Accounts (available on the Group's website – <https://www.schroders.com/en/investor-relations/results-and-reports/annual-report-and-accounts-2022/>), which provides more information on the activities of our Remuneration Committee and our remuneration principles and policies.

The UCITS Material Risk Takers ('UCITS MRTs') of SUTL are individuals whose roles within the Schroders Group can materially affect the risk of SUTL or any UCITS fund that it manages. These roles are identified in line with the requirements of the UCITS Directive and guidance issued by the European Securities and Markets Authority.

The Remuneration Committee of Schroders plc has established a remuneration policy to ensure the requirements of the UCITS Directive are met for all UCITS MRTs. The Remuneration Committee and the Board of Schroders plc review remuneration strategy at least annually. The directors of SUTL are responsible for the adoption of the remuneration policy and periodically reviewing its implementation in relation to SUTL. During 2022 the Remuneration Policy was reviewed to ensure compliance with the UCITS/AIFMD remuneration requirements and no significant changes were made.

The implementation of the remuneration policy is, at least annually, subject to independent internal review for compliance with the policies and procedures for remuneration adopted by the Board of SUTL and the Remuneration Committee. The most recent review found no fundamental issues but resulted in minor recommendations relating to process documentation.

The ratio of total costs to net income through the market cycle guides the total spend on remuneration each year. This is recommended by the Remuneration Committee to the Board of Schroders plc. This approach aligns remuneration with Schroders financial performance. In determining the remuneration spend each year, the underlying strength and sustainability of the business is taken into account, along with reports on risk, legal, compliance and internal audit matters from the heads of those areas.

The remuneration data that follows reflects amounts paid in respect of performance during 2022.

- The total amount of remuneration paid by SUTL to its staff was nil as SUTL has no employees. SUTL has two independent Non Executive Directors who receive fees in respect of their role on the Board of SUTL¹. - The following disclosures relate to UCITS MRTs of SUTL. Most of those UCITS MRTs were employed by and provided services to other Schroders group companies and clients.
