

27 January 2023

Dear Shareholder,

Schroder International Selection Fund (the “Company”) – Inflation Plus (the “Fund”)

We are writing to inform you that on 1 March 2023 (the “Effective Date”) the Fund’s investment policy will change by introducing a limit of 10% on investment in other investment funds.

Background and rationale

The Fund Information section of the Company’s prospectus currently provides that “the Fund may invest more than 10% of its assets in Investment Funds.” However, the Fund’s investment team has indicated that this is not required in order to implement the strategy and so, from the Effective Date, this reference will be deleted. A new maximum of 10% investment of the Fund’s assets in other investment funds will be applied.

The maximum exposure to investment funds will not be included in the Fund’s investment policy wording but instead contained in the investment restrictions provided in Appendix I of the Company’s prospectus.

The extent of the change to the risk/reward profile of the Fund as a result of this change is non-significant.

All other key features of the Fund, including the synthetic risk and return indicator (the SRRI) and fees, will remain the same.

Redeeming or switching your shares to another Schroders fund

We hope that you will choose to remain invested in the Fund following these changes, but if you do wish to redeem your holding in the Fund or to switch into another of the Company’s sub-funds before the changes become effective you may do so at any time up to and including deal cut-off on 28 February 2023. Please ensure that your redemption or switch instruction reaches the Singapore Representative, Schroder Investment Management (Singapore) Ltd before this deadline. We will execute your redemption or switch instructions in accordance with the provisions of the Company’s prospectus, free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local deal cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach us before the deal cut-off given above.

You can find the Fund’s updated Product Highlight Sheet (the PHS) for the relevant share class and the Company’s Prospectus at www.schroders.com.sg

The Singapore Prospectus will be updated in due course to reflect the above changes. If you have any questions or would like more information about Schroders’ products please visit www.schroders.com or contact your local Schroders office, your usual professional adviser, or Schroder Investor Hotline at +65 6534 4288.

Yours faithfully,

Schroder Investment Management (Singapore) Ltd
