

**10 April 2024**

Dear Shareholder,

**Schroder International Selection Fund (the “Company”) – European Special Situations (the “Fund”)**

We are writing to inform you that the Company's prospectus has been updated to reflect that the Fund's performance fee no longer applies, and has not been applied since 21 September 2023.

**Background and rationale**

The Company's prospectus provided that the following performance fee would apply to the Fund:

*“15% of the outperformance over MSCI Europe Net TR, subject to a High Water Mark as per the methodology in section 3.1. Performance fee will be applied to all Share Classes except the I Shares”*

Following a review of the Fund it was decided that such a performance fee was not in line with the broader market and therefore we believe that removing it provides greater scope for attracting new investors and potentially growing the assets under management.

The extent of the change to the risk/reward profile of the Fund as a result of this change is non-significant.

All other key features of the Fund, including the relevant risk indicator and other fees, will remain the same.
