12 March 2019

Dear Shareholder,

Notice of reconvened extraordinary general meeting of shareholders of Schroder International Selection Fund

The quorum requirement that 50% of the capital of **Schroder International Selection Fund** (the "Company") be represented was not satisfied at the Extraordinary General Meeting of the Company which was held on 11 March 2019 at 11:30 a.m. Luxembourg time.

Thus, notice is hereby given that a reconvened extraordinary general meeting of shareholders of the Company will be held at the registered office of the Company on 20 March 2019 at 4:30 p.m. Luxembourg time (the "Reconvened EGM").

The Board of Directors of the Company (the "Board") is proposing changes to the articles of incorporation of the Company (the "Articles") which:

- reflect (i) changes to Luxembourg laws and more particularly the reform of the Luxembourg Law of 10 August 1915 on commercial companies (the "1915 Law") and (ii) the flexibility to issue global share certificates and dematerialised shares in accordance with the Luxembourg Law of 6 April 2013 relating to dematerialised securities;
- introduce provisions required as a result of the entry into force of Regulation (EU) 2017/1131 of the European Parliament and of the Council of 14 June 2017 on money market funds (the "Regulation");
- update provisions in order to bring them in line with current market practices.

Further details of the proposed changes and the reason the Board is proposing them can be found below.

Reflection of changes to Luxembourg Company Law

The Board is proposing to reflect in the Articles the flexibilities offered by the law of 10 August 2016 which amended the 1915 Law. These amendments will not change the way in which the sub-fund in which you are invested is managed.

Changes required as a result of the entry into force of the Regulation

The Board is proposing to introduce provisions in the Articles as a result of the entry into force of the Regulation. The Regulation establishes European-wide rules to make money market funds ("MMFs") more resilient and better able to withstand market shocks. These rules aim to ensure better protection of MMF investors and safeguard the integrity of the market. In accordance with the Regulation, additional disclosures are required to be made to investors in the Articles covering in particular eligible assets, diversification requirements, liquidity and valuation rules and internal procedures to ensure compliance with the Regulation.

General update of the Articles in order to bring them in line with current market practices

The Board is proposing a number of amendments which are of a general nature, including but not limited to:

- alignment of provisions of the documentation of other funds managed by the same management company;
- replacement of references to outdated/obsolete legal provisions;
- insertion of certain flexibilities generally admitted by market practice.

These amendments are more fully described in the agenda disclosed hereafter.

The agenda of the Reconvened EGM will be the following:

AGENDA

SOLE RESOLUTION

Full restatement of the Articles in order, inter alia, to amend the Articles as follows:

1. Amendment of Article 3 so that the object clause refers to the Regulation so as to read as follows:

The Company may take any measures and carry out any operation which it may deem useful in the accomplishment and development of its purpose to the full extent permitted by Part I of the Law and, to the extent applicable, by the Regulation."
