

3 April 2024

Dear Shareholder,

Schroder International Selection Fund (the "Company") – Global Multi-Asset Income (the "Fund")

We are writing to inform you that on 8 May 2024 (the "Effective Date") the Fund's income target of 3 – 5% per annum will be removed and the investment objective will change, as further detailed hereafter.

Background and rationale

For over a decade, market conditions enabled explicit income ranges to be featured in the Fund's objective to indicate what an investor could expect as a distribution. However, with the winding down of government quantitative easing, yields have risen sharply and interest rate volatility is unlikely to remain as static going forwards. As a result, the level of income the Fund is able to generate could change significantly and move outside of the target range.

In order to prevent the Fund's actual dividend payments from falling outside of the target range, the income target of 3-5% per annum will be removed from the investment objective from the Effective Date. The Fund will continue to aim to deliver income in addition to capital growth.

In addition, the existing comparator benchmark, which is used for volatility and sustainability purposes will also be used as a performance comparator from the Effective Date.

Full details of the changes being made can be seen in Appendix 1 to this letter.

Redeeming or switching your shares to another Schroders fund

We hope that you will choose to remain invested in the Fund following these changes, but if you do wish to redeem your holding in the Fund or to switch into another of the Company's sub-funds before the Effective Date you may do so at any time up to and including deal cut-off on 7 May 2024. Please ensure that your redemption or switch instruction reaches HSBC Continental Europe, Luxembourg ("HSBC") before this deadline. HSBC will execute your redemption or switch instructions in accordance with the provisions of the Company's prospectus, free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local deal cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach HSBC before the deal cut-off given above.
