Dear Shareholder,

Schroder International Selection Fund (the "Company") - Strategic Bond (the "Fund")

We are writing to inform you that we have added the ICE BofA US 3 Month Treasury Bill Index as a comparator benchmark of the Fund.

The investment policy of the Fund has also been revised to clarify that the Fund may invest in CIBM via CIBM Direct in addition to Bond Connect.

Background and rationale for the addition of comparator benchmark

The Fund's target is 'absolute return', which means a positive return in a twelve month period in all market conditions. However, absolute return funds tend to be compared against cash benchmarks, so we have decided to add the ICE BofA US 3 Month Treasury Bill Index as a comparator of the Fund. The absolute return target remains in place but the new index can be used as an additional basis of comparison for the Fund's performance.

Save as disclosed above, all other key features of the Fund, including its investment objective and policy, risk and return profile and fees, will remain the same.

The Hong Kong offering documents of the Company will be revised to reflect the above changes and will be available free of charge at www.schroders.com.hk¹ or upon request from the Hong Kong Representative of the Company, Schroder Investment Management (Hong Kong) Limited.

If you have any questions or would like more information, please contact your usual professional advisor or the Hong Kong Representative at Level 33, Two Pacific Place, 88 Queensway, Hong Kong or calling the Schroders Investor Hotline on (+852) 2869 6968.

Yours faithfully,

The Board of Directors
