Dear Shareholder,

Schroder International Selection Fund – Enhancement of disclosures on benchmarks

We are writing to advise you that the board of directors of Schroder International Selection Fund (the "Company") has enhanced certain disclosures with respect to the sub-funds of the Company (as detailed in a table available at https://www.schroders.com/en/sysglobalassets/digital/hong-kong/investor-notice/202012_sisf_enhancement_of_disclosures_on_benchmarks_table_en.pdf¹), specifically, the European Securities and Markets Authority (ESMA) Q&A on the application of the UCITS Directive (March 2019 update) regarding the way in which funds describe their use of benchmarks and display performance to shareholders.

As a result of this guidance, we have stated for each sub-fund whether it has a target benchmark (which defines the sub-fund's target performance) and the extent to which any other benchmarks should be used by shareholders to assess performance (i.e. comparator benchmarks). We have also explained why a particular benchmark has been selected for the relevant sub-fund. In addition, we have confirmed that each sub-fund is actively managed and some investment policies include additional detail in that respect.

For sub-funds that have target benchmarks, their investment objectives have been enhanced to define the sub-fund's target performance. For instance, where a sub-fund's objective previously stated it aimed to provide 'capital growth', we are now providing more information as to what we mean by 'capital growth', for example to exceed the return of the target benchmark after fees have been deducted over a stated period. We have set out the enhanced investment objectives of the relevant sub-funds in a table available at https://www.schroders.com/en/sysglobalassets/digital/hong-kong/investor-notice/202012_sisf_enhancement_of_disclosures_on_benchmarks_table_en.pdf¹.

The Company confirms in each case that:

- there are no changes to how the sub-funds are managed;

¹ This website has not been reviewed by the SFC.

- the investment style, investment philosophy and risk profile of the sub-funds remains the same; and
- the fees chargeable in respect of the sub-funds as stated in the Prospectus remain the same.

The Hong Kong offering documents of the Company (comprising the Prospectus, Hong Kong Covering Document and Product Key Facts Statements) will be revised in due course to reflect the above updates.

If you have any questions or would like more information, please contact your usual professional advisor or the Representative at Level 33, Two Pacific Place, 88 Queensway, Hong Kong or calling the Schroders Investor Hotline on (+852) 2869 6968.
