22 March 2019

Dear shareholder,

Annual General Meeting ('AGM')

On behalf of the Board, I would like to invite you to the 2019 AGM of Schroders plc on 2 May 2019, the notice of meeting for which is attached on pages 3 to 4. More information about the Group's performance during 2018 and its strategy and governance can be found in the Annual Report and Accounts.

I would like to draw your attention to the following resolutions that are to be proposed at the AGM.

Election and re-election of Directors

Resolutions 4 and 5 seek approval for the election to the Board of Deborah Waterhouse as an independent non-executive Director and Leonie Schroder as a non-independent non-executive Director. Deborah and Leonie were appointed to the Board on 11 March 2019. We will benefit from Deborah’s experience as Chief Executive of a major international business operating in many of the markets in which we are active. Leonie’s appointment reflects the commitment to Schroders of the principal shareholder group which has been an important part of Schroders’ success over the long term. All other Directors, apart from Robin Buchanan, will submit themselves for re-election. Robin will step down at the conclusion of the AGM, having served nine years on the Board. Robin has made a major contribution during his time on the Board and as a member of the Remuneration Committee and Audit and Risk Committee. He has always provided constructive challenge and valuable insights to our strategic discussions. On behalf of the Board I would like to thank him for everything he has done for the Company.

Bruno Schroder sadly died on 20 February 2019 aged 86 after a short illness. Bruno served on the Board for 56 years. An appreciation of Bruno’s life is included in the Annual Report and Accounts on page 50.

Disapplication of Pre-emption Rights

Resolution 18 seeks approval for the disapplication of pre-emption rights in relation to the allotment of non-voting ordinary shares for cash and/or sale of non-voting ordinary shares held as treasury shares. The proposed disapplication authority is within the limits set by the Pre-Emption Group's Statement of Principles 2015. Although there are no current plans to allot shares, the Directors wish to ensure that the Company has maximum flexibility in managing the Group's capital resources.

Explanatory notes for each of the resolutions proposed, the voting procedure and an explanation of the business to be conducted at the AGM are set out from page 5.

Voting arrangements

Voting on the resolutions will be conducted by way of a poll as this gives as many shareholders as possible the opportunity to vote (whether they vote in person at the meeting or by proxy) and I would like to encourage all shareholders to take an active part in voting. Details on how to vote are included on the Form of Proxy and/or Form of Direction included with this notice.

Completed Forms of Proxy (including e-proxies) and, for employee participants in the Schroders Share Incentive Plan, Forms of Direction, must be submitted to the Company's Registrar, Computershare, as soon as possible but in any event to arrive no later than 11.30 a.m. on Tuesday, 30 April 2019 and 11.30 a.m. on Monday, 29 April 2019 respectively. The result of the poll will be announced shortly after the AGM and will also be available on the Company's website.

Recommendation

The Board considers that all of the resolutions as set out in the notice are in the best interests of its shareholders as a whole and the Board recommends that shareholders vote in favour of all of these resolutions, as the Directors intend to do with respect to their own ordinary shares.

Yours faithfully,

Michael Dobson
Chairman

Explanatory notes to the resolutions

Resolutions 1 to 17 will be proposed as ordinary resolutions and resolutions 18, 19 and 20 as special resolutions.

**Resolution 1 – Annual Report and Accounts**
For each financial year the Directors are required to present the Directors’ report and the accounts of the Company to shareholders.

**Resolution 2 – Final dividend**
The payment of the final dividend of 79 pence per share in respect of the year ended 31 December 2018, which is recommended by the Board, requires the approval of shareholders in general meeting.

**Resolution 3 – Remuneration report**
Under section 420 of the Companies Act 2006 (the ‘Act’), the Directors must prepare a remuneration report detailing the remuneration of the Directors and containing a statement by the Chairman of the Remuneration Committee. The Act also requires that a resolution be put to shareholders each year for their approval of that report. This is an advisory resolution only.

**Resolutions 4 and 9 to 13 – Election and re-election of Directors**
Following changes made to the UK Listing Rules in May 2014, companies with a shareholder or shareholders who could, when acting in concert, exercise 30% or more of the voting rights of a company at a general meeting, are required to enter into a binding agreement with that shareholder or shareholders. This is intended to ensure that the parties to the agreement comply with certain independence provisions in the Listing Rules. Accordingly, on 14 November 2014, the Company entered into such an agreement (the ‘Relationship Agreement’) with a number of shareholders who own or control 108,323,711 ordinary shares (47.93%) of the Company’s ordinary shares (and associated voting rights). In these circumstances, the UK Listing Rules require the election or re-election of any independent Director by shareholders to be approved by a majority of both:

1. the shareholders of the Company; and
2. the independent shareholders of the Company (that is the shareholders of the Company entitled to vote on the election or re-election of Directors and who are not party to the Relationship Agreement).

Resolutions 4 and 9 to 13 relate to the election of Deborah Waterhouse and the re-election of Ian King, Sir Damon Buffini, Rhian Davies, Rakhi Goss-Custard and Nichola Pease. None of these Directors have any historic or current relationship or agreement with the Company, its other Directors or the shareholders who are party to the Relationship Agreement and therefore the Board has determined they are independent Directors (the ‘Independent Directors’). The Board considers that each of the Independent Directors proposed for election or re-election brings, or continues to bring, independent challenge, oversight and advice to the Company.

Accordingly, resolutions 4 and 9 to 13 are being proposed as ordinary resolutions on which all shareholders may vote, but in addition the Company will separately count the number of votes cast by independent shareholders in favour of each resolution (as a proportion of the total votes of independent shareholders cast on the resolution) to determine whether the relevant majorities referred to above have been achieved. The Company will announce the results of resolutions 4 and 9 to 13 on this basis as well as announcing the results of the ordinary resolution of all shareholders.

If the ordinary resolution to approve the election or re-election of an Independent Director is passed, but separate approval by the independent shareholders is not given, the Listing Rules permit an existing Independent Director to remain in office pending a further ordinary resolution of all the shareholders to approve the election or re-election of that Director. If separate independent shareholder approval is not given for resolutions 4 and 9 to 13, the Company intends that the relevant appointment will end 120 days from the date of the original vote, unless a further ordinary resolution for election or re-election is passed. If a further ordinary resolution to approve the election or re-election is defeated, his or her appointment will cease on such date.

**Resolutions 4 and 5**
Deborah Waterhouse and Leonie Schroder, who were appointed to the Board on 11 March 2019, are seeking election as this is the first AGM since their appointment. Leonie’s appointment reflects the commitment to Schroders of the principal shareholder group which has been an important part of Schroders’ success over the long term.

**Resolutions 6 to 14**

He retired in 2015 and remains a Senior Adviser. He is Chair of the National Theatre, Independent Director of the European Golf Tour and was Chair of the Government's Patient Capital Review. Her background as a qualified accountant is a specific strength given her role as Chairman of the Audit and Risk Committee. With extensive experience as a partner of a private equity fund manager, Rhian brings financial and industry knowledge to the Board, particularly in the area of private assets.

Rakhi Goss-Custard, 44, independent non-executive Director and member of the Nominations and Audit and Risk Committees. Appointed a non-executive Director in January 2017. She is an experienced executive in digital retailing, having spent 11 years at Amazon. Prior to joining Amazon, she held roles at TomTom and in management consultancy in the US. She is a non-executive Director of Kingfisher plc, Rightmove plc and Intu Properties plc. She will step down from the Board of Intu Properties plc at its Annual General Meeting on 3 May 2019. Rakhi's experience in the digital world through her work at Amazon and, more recently, through her experience as a non-executive director on other boards, is highly valuable to the Company as digital has an increasingly important impact on the asset management industry.

Nichola Pease, 57, independent non-executive Director, Chairman of the Remuneration Committee and member of the Nominations and Audit and Risk Committees. Appointed a non-executive Director in September 2012. She was the Chief Executive and then Deputy Chairman of J O Hambro Capital Management Ltd from 1998 until 2008, following which she held a number of roles in the charity and public sectors. She is the co-founder and Chair of Investment 2020 and a Member of the Eton College Investment Committee. Philip Mallinkrodt, 56, non-executive Director and member of the Nominations Committee. Appointed as an executive Director in January 2009 and a non-executive Director on 1 March 2017. He is a non-executive Director of The Economist and a member of the International Advisory Council of the Brookings Institution. With over 30 years’ experience in the financial services sector, including many years as an executive at Schroders, and as a member of the principal shareholder group, Philip's extensive knowledge helps to shape the long term direction of the firm.

Prior to recommending to the Board that the non-executive Directors be elected or re-elected, the Nominations Committee considered their independence, time commitment and effectiveness and is satisfied that all non-executive Directors continue to fulfil their fiduciary and statutory duties. As Nichola Pease and Philip Mallinkrodt have served more than six and nine years respectively with the Company, the proposal for their re-election was given particular consideration. The Committee agreed that both Nichola and Philip continued to make a valuable contribution to the Board's deliberations and therefore recommended their re-election to the Board. In addition, the Board reviewed actual and potential conflicts of interest for each Director and following the completion of the Board evaluation process for 2018, the Chairman confirms on behalf of the Board that each of the Directors standing for election or re-election continues to be effective and demonstrates commitment to their respective roles.

Accordingly, the election and re-election of each of the Directors under resolutions 4 to 14 is recommended.

Resolutions 15 and 16 – Auditor

At each AGM when accounts are presented the Company is required by the Act to appoint its auditor. The Board, on the unanimous recommendation of the Audit and Risk Committee, is proposing to shareholders the re-appointment of Ernst & Young LLP as auditor.

Resolution 16 authorises the Audit and Risk Committee to determine the remuneration of Ernst & Young LLP for their services as auditor.

Resolution 17 – Authority to allot shares

Under the Act, the Directors may not issue shares in the Company without the authority of shareholders in general meeting, except for the issue of shares under the Company's employee share plans. If approved by shareholders, this
Explanatory notes to the resolutions continued

Resolution 18 – Disapplication of pre-emption rights
If passed, this resolution would allow the Directors to allot non-voting ordinary shares for cash and/or sell non-voting ordinary shares held as treasury shares without having to offer such shares to existing non-voting ordinary shareholders:

(a) in connection with a rights issue or other pre-emptive issue; or

(b) up to a nominal value of £5,000,000, which is approximately 1.76% of the Company's total issued share capital (and 8.84% of its issued non-voting ordinary share capital) as at 15 March 2019, being the latest practicable date prior to the publication of this document.

This disapplication authority is within the limits set by the Pre-Emption Group's Statement of Principles 2015 (the "Statement of Principles").

Annual renewal of this authority will be sought in accordance with best practice and in line with the Statement of Principles.

There are no current plans to allot shares pursuant to the authority under resolution 17, however, the Directors wish to ensure that the Company has maximum flexibility in managing the Group's capital resources.

The authority sought and the limits set by this resolution will also apply to any sale or transfer of non-voting ordinary shares held as treasury shares. The Directors consider it prudent to have the flexibility to buy back non-voting ordinary shares into treasury and subsequently to sell or to transfer them, if appropriate. This will enable them to act on short notice in appropriate circumstances if that is in the best interests of the Company.

In line with the Statement of Principles, the Directors confirm they do not intend to issue pursuant to the authority under this resolution more than 7.5% of the issued share capital of the Company on a non-pre-emptive basis in any rolling three year period, without prior consultation with shareholders.

This authority will expire at the conclusion of the AGM of the Company in 2020.

Resolution 19 – Authority to purchase own shares
If passed, resolution 19 would renew the authority given by shareholders at the 2018 AGM and permit the Directors to issue non-voting ordinary shares or rights to subscribe for, or convert securities into, non-voting ordinary shares up to an aggregate nominal amount of £5,000,000. The authority would not permit the Directors to issue ordinary shares or to grant rights to subscribe for, or convert securities into, ordinary shares. The maximum amount of the authority is equal to approximately 1.76% of the Company's total issued share capital and approximately 8.84% of its issued non-voting ordinary share capital, in each case as at 15 March 2019, being the latest practicable date prior to the publication of this document.

The authority sought by this resolution will expire at the conclusion of the next AGM of the Company. The authority sought by this resolution will provide flexibility for the Directors to issue non-voting ordinary shares where they believe it is in the interests of shareholders do so. As at 15 March 2019, the Company did not hold any ordinary or non-voting ordinary shares in treasury.

Resolution 20 – Notice of general meetings
Under the Act, the Company may call a general meeting, other than an AGM, by giving 14 days' clear notice to shareholders. Under the Companies (Shareholders' Rights) Regulations 2009 this period is extended to 21 clear days unless the Company has obtained shareholder approval for a shorter period. This resolution would maintain the current position as agreed by shareholders at the 2018 AGM. AGMs will still require at least 21 clear days' notice. The shorter notice period would not be used as a matter of routine but only where the flexibility was merited by the business of the meeting and was thought to be in the interests of shareholders as a whole.
1. Entitlement to vote
Ordinary shareholders entitled to attend and to speak and vote at the meeting are entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote on their behalf at the meeting. An ordinary shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A Form of Proxy for ordinary shareholders which may be used to make such appointment and give proxy instructions accompanies this notice. Non-voting ordinary shareholders have no right to attend or speak or vote at the AGM. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, entitlement to attend and vote at the meeting and the number of votes which may be cast thereat will be determined by reference to the Register of Members of the Company at 6 p.m. on 30 April 2019 (or in the event of any adjournment at 6 p.m. on the date which is two days before the date of the adjourned meeting excluding any non-working days). Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend and vote at the meeting.

2. Voting at the meeting
All resolutions will be voted on a poll at the AGM. Votes will be counted immediately following the meeting and the results will be published via the Regulatory News Service as soon as possible after the meeting and will also be available on our website. The return of a completed Form of Proxy, e-proxy, other proxy instrument or any CREST Proxy Instruction (as described in paragraph 7) will not prevent a shareholder from attending the AGM and voting in person if he/she wishes to do so.

3. Right to appoint a proxy
To be valid, any Form of Proxy or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at the Company's registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY no later than 11.30 a.m. on Tuesday, 30 April 2019.

4. Electronic proxy voting through the internet
Ordinary shareholders who prefer to register the appointment of their proxy electronically via the internet can do so at www.investorcentre.co.uk/eproxy where full instructions are given. The Control Number, PIN and shareholder reference number printed on the Form of Proxy will be required. A proxy appointment made electronically will not be valid if not sent to www.investorcentre.co.uk/eproxy or if received after 11.30 a.m. on Tuesday, 30 April 2019. Any communication found to contain a computer virus will not be accepted.

5. Nominated persons
Any person to whom this Notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of ordinary shareholders in relation to the appointment of proxies in paragraphs 1 to 4 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by ordinary shareholders of the Company.

6. Total voting rights
As at 15 March 2019 (being the last practicable date prior to the publication of this Notice) the Company's issued share capital consisted of 226,022,400 ordinary shares, carrying one vote each, and 56,505,600 non-voting ordinary shares. No ordinary shares or non-voting ordinary shares were held in treasury. Therefore, the total voting rights in the Company as at 15 March 2019 were 226,022,400.

7. Electronic voting through CREST
CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed (a) service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by 11.30 a.m. on Tuesday, 30 April 2019. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors, or voting service providers, should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
