

**24 March 2022**

Dear Shareholder,

**Schroder International Selection Fund (the "Company") – Sustainable Asian Equity (the "Fund")**

We are writing to inform you that we will increase the annual management charge ("AMC") payable by shareholders in respect of the share class of the Fund listed below, with effect from **1 May 2022** (the "Effective Date"). The new annual management charge is as follows:

Share class	Old annual management charge	New annual management charge
C	0.50%	0.75%

This fee increase comes following the changes of name, investment objective and policy of the Fund to apply sustainability criteria when selecting investments, that were made to the Fund on 21 June 2021.

All other key features of the Fund, including the synthetic risk and return indicator (the SRRI) and other fees, will remain the same.

The ISIN code for the share class impacted by the increase in fee is listed in the appendix of this letter.

**Redeeming or switching your shares to another Schroders fund**

We hope that you will choose to remain invested in the Fund following this change, but if you do wish to redeem your holding in the Fund or to switch into another of the Company's sub-funds before the changes become effective you may do so at any time up to and including deal cut-off on **29 April 2022**. Please ensure that your redemption or switch instruction reaches HSBC Continental Europe, Luxembourg ("HSBC") before this deadline. HSBC will execute your redemption or switch instructions in accordance with the provisions of the Company's prospectus, free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local deal cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach HSBC before the deal cut-off given above.

We advise shareholders to read the Fund's key investor information document (the KIID) for the relevant share class and the Fund's Prospectus, which are available at [www.schroders.lu](http://www.schroders.lu).
