

**10 April 2024**

Dear Shareholder,

**Schroder International Selection Fund (the "Company") – Cross Asset Momentum Component (the "Fund")**

We are writing to inform you that the name of the Fund has changed from "Cross Asset Momentum Component" to "Cross Asset Momentum".

**Background and rationale**

In general, the word 'component' in the name of a Fund is used by Schroders where it is intended only for internal investment allocations. As the Fund is marketed and sold to external investors we are removing the term from the Fund's name.

There are no other changes to the Fund's investment style, investment philosophy, investment strategy, and the operation and/or manner in which the Fund is being managed following these changes.

All other key features of the Fund, including the relevant risk indicator and fees, will remain the same.

You can find the Fund's updated key information document (the KID) for the relevant share class and the Company's prospectus at [www.schroders.com](http://www.schroders.com).

If you have any questions or would like more information about Schroders' products please visit [www.schroders.com](http://www.schroders.com) or contact your local Schroders office, your usual professional adviser, or Schroder Investment Management (Europe) S.A. on (+352) 341 342 202.

Yours faithfully,

**The Board of Directors**
