Dear Shareholder,

### **Schroder International Selection Fund – changes to the distribution policy of certain share classes**

Following a recent review, the board of directors of Schroder International Selection Fund (the "Company") has decided to change the distribution policy for some share classes (the "Share Classes") of Schroder International Selection Fund Global Credit Income (the "Fund"). The affected Share Classes are listed in the appendix to this letter. The distribution frequency of the Share Classes will not change.

This change will come into effect for the distribution due to be paid on 11 March 2019 and will apply to all distributions going forward.

The Share Classes' fees will remain unchanged and the costs of making these changes including regulatory and shareholder communication costs will be borne by Schroder Investment Management (Europe) S.A., the Company's management company.

We hope that you will choose to remain invested in the Share Classes following these changes, but if you wish to redeem your holding in the Share Classes or to switch into another of the Company's sub-funds authorized by the Securities and Futures Commission<sup>1</sup> before the first record date under the new distribution policy, you may do so at any time up to and including deal cut-off at 5:00 p.m. Hong Kong time on 26 February 2019. We will execute your redemption or switch instructions in accordance with the provisions of the Company's prospectus, free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local deal cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach the Hong Kong Representative of the Company, Schroder Investment Management (Hong Kong) Limited (the "Representative") in Hong Kong before the deal cut-off at 5:00 p.m. Hong Kong on 26 February 2019.

<sup>\*</sup> This refers to the premium or discount that may apply to the distribution. Distributions may include a premium when the interest rate of a currency hedged share class is higher than the fund's base currency interest rate. Consequently when the interest rate of a currency hedged share class is lower than the fund's base currency interest rate, the dividend may be discounted. The level of premium or discount is determined by differences in interest rates and is not part of the fund's investment objective or investment policy.
