To shareholders and participants in the Schroders Share Incentive Plan

22 March 2024

Dear Shareholder,

Annual General Meeting

On behalf of the Board, I would like to invite you to the 2024 AGM of Schroders plc on Thursday, 25 April 2024, the Notice of Meeting ('Notice') for which is attached on pages 6 to 8. More information about the Group's performance during 2023 and its strategy and governance can be found in the 2023 Annual Report.

Attendance

We consider the AGM to be an important part of our shareholder communications programme. The AGM will be held as a 'hybrid' meeting, which allows shareholders the choice of joining us in person by attending the meeting at 1 London Wall Place or by joining us remotely via a live online broadcast using the Lumi platform. Further details on how you can join us are set out in Appendix 1 of this Notice.

Voting arrangements

Your vote is important to us. We strongly encourage you to vote in advance or to appoint the Chair as your proxy if you are unable to attend, either in person or electronically, and vote on the day. All votes will be by poll which means that each share carries one vote and all votes count.

Details on how to vote are included on the Proxy Form accompanying this Notice and in Appendix 1.

Completed Proxy Forms (including e-proxies) should be submitted to the Company's Registrar, Computershare, as soon as possible but in any event to arrive no later than 11.30 a.m. on Tuesday, 23 April 2024. If you are a participant in the Schroders Share Incentive Plan, you will receive an email explaining how you can submit your voting instructions. The voting results will be announced shortly after the AGM and will also be available on the Company's website (www.schroders.com/agm).

How to ask questions

Questions for the Board can be submitted in advance or asked in person or through the Lumi platform at the AGM. To enable the Board to answer as many shareholder questions as possible, we strongly encourage you to submit your questions in advance of the AGM. Pre-submitted questions can also be emailed to CompanySecretary@schroders.com. Questions that are received by email by 5.00 p.m. on Tuesday, 23 April 2024 will be addressed at the AGM. A summary of the questions and answers will be made available on our website as soon as practicable following the conclusion of the AGM.

Director changes

Richard Oldfield was appointed to the Board as an executive Director on 2 October 2023, succeeding Richard Keers as Chief Financial Officer of the Company. Richard brings a global

perspective and his experience of audit and advisory with large multinational financial services organisations will help us to continue to deliver our strategy. I would like to thank Richard Keers for his significant contribution to the business as our Chief Financial Officer for over 10 years.

Annette Thomas was appointed to the Board as an independent non-executive Director on 1 September 2023. Annette is a highly experienced board member with a long track record of driving growth in the information, data, education and media industries. Her digital, data and analytics expertise will be of great benefit to Schroders as we continue to invest in these important areas.

Iain Mackay was appointed as an independent non-executive Director on 1 January 2024. Iain brings his experience as Chief Financial Officer of FTSE 100 companies and his considerable knowledge of global organisations operating in many of the international markets in which we operate.

Iain will succeed Rhian Davies as Chair of the Audit and Risk Committee at the conclusion of the meeting. Having served almost nine years on the Board, Rhian has decided not to seek re-election at this year's AGM and will stand down as a Director at the conclusion of the meeting. I would like to thank Rhian for her enormous contribution to the Board over the last nine years and as Chair of the Audit and Risk Committee and a member of the Remuneration Committee.

Frederic Wakeman was appointed as an independent non-executive Director on 1 January 2024. Frederic will bring insights from the US and UK into private equity and private markets which will be invaluable as we continue to build Schroders Capital, our private markets business.

In accordance with our Articles of Association, Richard, Annette, Iain and Frederic are each standing for election at the first AGM following their respective appointments.

Political Donations

The Company and its subsidiaries have not incurred any political expenditure or made any donations to political organisations in the past four financial years since the previous approval by shareholders of authority to do so, and we do not intend to make such donations in the future. Resolution 18 seeks authorisation for normal expenditure which, according to the wide definitions used in the Act, may be deemed to be political expenditure or a donation to a political organisation. The authority requested by the resolution is on the same terms as those approved by shareholders in 2020.

Rule 9 Waiver & Buyback Authority

At the 2023 AGM, shareholders approved a share buyback authority in line with the typical authority granted to UK listed companies. Resolution 20 would, if approved, renew this authority, subject to certain parameters.

As a consequence of any buyback of shares by the Company, it is likely that the Principal Shareholder Group's (PSG) aggregate shareholding in the Company would passively increase from the current 44.11%. If this were to happen, under the Takeover Code the PSG would be required to make a mandatory cash offer for the whole Company. Accordingly, a waiver has been obtained from the Takeover Panel of this obligation if the aggregate shareholding of the PSG were to increase as a result of any buyback of shares. This waiver is conditional on approval by the Independent Shareholders of the Waiver Resolution at the AGM, which is proposed as Resolution 19.

Members of the PSG are supportive long-term shareholders and intend to retain a substantial shareholding in the Company over the long term. The authority being sought under Resolution 20 is limited to 128,515,118 ordinary shares so that repurchases by the Company up to the maximum amount allowed under the Buyback Authority (if such repurchases were exclusively from persons other than the Principal Shareholder Group) would not result in the PSG holding more than 47.93% of the Company's ordinary shares, which is the level the PSG held prior to the simplification of the Company's dual share class structure in September 2022.

The Board expects to seek renewal of the Buyback Authority (and the associated Waiver Resolution) annually until such time as the PSG's holding of ordinary shares has returned to the level of 47.93%.

Explanatory notes

Explanatory notes for each of the resolutions proposed, the voting procedure and an explanation of the business to be conducted at the AGM are set out from page 9.

Board Recommendation

Resolutions other than the Waiver Resolution

The Directors consider that Resolutions 1 to 18 and 20 to 21 are in the best interests of the Company and its shareholders as a whole and the Directors unanimously recommend that shareholders vote in favour of all of these resolutions, as they intend to do with respect to their own ordinary shares.

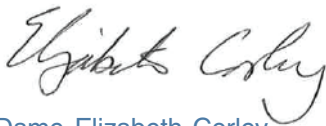

Waiver Resolution

In accordance with the Takeover Code, the PSG Directors, who are Claire Fitzalan Howard and Leonie Schroder, did not participate in the Board's consideration and recommendation of the Waiver Resolution (Resolution 19), as the potential percentage increase in the PSG's interest in ordinary shares as a result of any exercise of the Buyback Authority is the subject of the Waiver Resolution.

The Non-PSG Directors, who have been so advised by Barclays and J.P. Morgan Cazenove, consider the Waiver Resolution to be fair and reasonable and in the best interests of the Independent Shareholders, the Company and its shareholders as a whole. In providing this advice to the Non-PSG Directors, Barclays and J.P. Morgan Cazenove have taken into account the Non-PSG Directors' commercial assessments. Accordingly, the Non-PSG Directors unanimously recommend that the Independent Shareholders vote in favour of the Waiver Resolution, as they intend to do with respect to their own ordinary shares (being 246,979 ordinary shares in aggregate, representing 0.0153% of the total ordinary shares in issue).

The Board and I look forward to welcoming you to the AGM.

Yours faithfully,

Dame Elizabeth Corley
Chair

- a. no approval for such waiver is given where the resulting interest of the Principal Shareholder Group, together with the interest of those acting in concert with the Principal Shareholder Group (other than the Company and any member of the Company's Group), would exceed 47.93% or more of the ordinary shares; and

EXPLANATORY NOTES TO THE RESOLUTIONS

Resolutions 1 to 19 will be proposed as ordinary resolutions and resolutions 20 to 21 as special resolutions.

Resolution 1 – Annual Report and Accounts

For each financial year the Directors are required to present the Annual Report and Accounts of the Company to shareholders.

Resolution 2 – Final dividend

The payment of the final dividend of 15.0 pence per ordinary share in respect of the year ended 31 December 2023, which is recommended by the Board, requires the approval of shareholders in a general meeting.

Resolution 3 – Remuneration report

Under section 420 of the Act, the Directors must prepare a remuneration report detailing the remuneration of the Directors and containing a statement by the Chair of the Remuneration Committee. The Act also requires that a resolution be put to shareholders each year for their approval of that report. This is an advisory resolution only.

Resolutions 4 to 15 – Election and re-election of Directors

The Listing Rules require companies with a shareholder or shareholders who could, when acting in concert, exercise 30% or more of the voting rights of a company at a general meeting, to enter into a binding agreement with that shareholder or shareholders. This is intended to ensure that the parties to the agreement comply with certain independence provisions in the Listing Rules. The members of the Company's Principal Shareholder Group, who in aggregate hold or control 711,068,586 ordinary shares (44.11%), are deemed to be acting in concert for these purposes and accordingly the Company is party to such an agreement (the 'Relationship Agreement') with the members of the Principal Shareholder Group. In these circumstances, the Listing Rules require the election or re-election of any independent Director by shareholders to be approved by a majority of both:

1. the shareholders of the Company; and
2. the Independent Shareholders (that is, the shareholders of the Company entitled to vote on the election or re-election of Directors and who are not party to the Relationship Agreement).

Resolutions 4, 6, 7, 8 and 10 to 13 relate to the elections of Iain Mackay, Annette Thomas and Frederic Wakeman and the re-election of Dame Elizabeth Corley, Ian King, Rakhi Goss-Custard, Deborah Waterhouse and Matthew Westerman. None of these Directors have any historic or current relationship or agreement with the Company, its other Directors or the members of the Principal Shareholder Group who are party to the Relationship Agreement and therefore the Board has determined they are Independent Directors. The Board considers that each of the Independent Directors proposed for election or re-election brings, or continues to bring independent challenge, oversight and advice to the Company.

Accordingly, resolutions 4, 6, 7, 8 and 10 to 13 are being proposed as ordinary resolutions on which all shareholders may vote, and in addition the Company will separately count the number of votes cast by the Independent Shareholders in favour of each resolution (as a proportion of the total votes of Independent Shareholders cast on the resolution) to determine whether the relevant majorities referred to above have been achieved. The Company will announce the results of resolutions 4, 6, 7, 8 and 10 to 13 on this basis as well as announcing the results of the ordinary resolution of all shareholders.

If the ordinary resolution to approve the election or re-election of an Independent Director is passed, but separate approval by the Independent Shareholders is not given, the Listing Rules permit an existing Independent Director to remain in office pending a further ordinary resolution of all the shareholders to approve the election or re-election of that Director. If separate Independent Shareholder approval is not given for resolutions 4, 6, 7, 8 and 10 to 13, the Company intends that the relevant appointment will end 120 days from the date of the original vote, unless a further

ordinary resolution for election or re-election is passed. If a further ordinary resolution to approve the election or re-election is defeated, his or her appointment will cease on such date.

Under Article 77 of the Company's Articles of Association, any Director appointed to office by the Board may only hold office until the next AGM, when shareholders can vote on their election. Iain Mackay, Richard Oldfield, Annette Thomas and Frederic Wakeman are accordingly seeking election. The Board supports their respective elections. The Company has decided that all Directors should retire and stand for re-election by shareholders annually, in line with the UK Corporate Governance Code and as set out in Article 78 of the Company's Articles of Association.

An overview of the skills and experience of the Directors and the biographical details of each Director proposed for election and re-election can be found on pages 50 to 53 of the 2023 Annual Report.

Recommendation

Prior to recommending to the Board that the non-executive Directors be elected or re-elected, the Nominations Committee considered their independence, time commitment and effectiveness and is satisfied that all non-executive Directors continue to fulfil their fiduciary and statutory duties. As Ian King and Rakhi Goss-Custard have served more than six years with the Company, the proposals for their re-election were given particular consideration. The Committee unanimously agreed that Ian and Rakhi each continued to make high quality contributions to the Board's deliberations and therefore recommended their re-election to the Board. In addition, the Board reviewed actual, potential and perceived conflicts of interest for each Director and, following the completion of the internal Board evaluation process for 2023, the Chair confirms on behalf of the Board that each of the Directors standing for election or re-election continues to be effective and demonstrates commitment to their respective roles.

Accordingly, the election and re-election of each of the Directors under resolutions 4 to 15 is recommended.

Resolutions 16 and 17 – Auditor

At each AGM when accounts are presented, the Company is required by the Act to appoint its auditor. The Board, on the unanimous recommendation of the Audit and Risk Committee, is proposing to shareholders the re-appointment of Ernst & Young LLP as auditor.

Resolution 17 authorises the Audit and Risk Committee to determine the remuneration of Ernst & Young LLP for their services as auditor.

Resolution 18 – Political Donations

The Act permits the Company, for itself and its subsidiaries, to seek authorisation for up to four years to make political donations above a de minimis amount. The authorities granted in 2020 under these provisions will expire at the conclusion of the 2024 AGM. The Act requires that any donations to political organisations in excess of an aggregate of £5,000 or any political expenditure by the Company and its subsidiaries must be authorised by the Company's shareholders. Whilst the Company and its subsidiaries did not make any donations to political parties in the last four financial years since the previous approval by shareholders, and they do not intend to do so in the next four financial years, the resolution is intended to authorise normal expenditure which, in view of the wide definitions set out in the Act, may be construed as political expenditure or as a donation to a political organisation. Although the resolution covers a four-year period, if the Company, or any of its subsidiaries, make a political donation in that period, it is intended that a resolution to renew the authority would be put to the next AGM after the payment is made.

Resolution 19 – Waiver Resolution

Resolution 19 seeks approval from the Independent Shareholders of a waiver of the obligation pursuant to Rule 9 of the Takeover Code that could require the Principal Shareholder Group to make a general offer for the entire issued share capital of the Company if the aggregate interest of the Principal Shareholder Group in ordinary shares increases from its current level of 44.11% (711,068,586 ordinary shares) as a result solely of the purchase of ordinary shares by the Company pursuant to the authority granted by Resolution 20 (which, if passed, gives authorisation for the Company to purchase in the market up to 128,515,118 ordinary shares).

As the Principal Shareholder Group is interested in the outcome of the Waiver Resolution, their votes will not be counted on that resolution. Only the votes of the Independent Shareholders, on a poll, will be counted for the Waiver Resolution.

The Takeover Code is administered by the Takeover Panel and applies to the Company because it is a UK public company which has its registered office in the United Kingdom and has securities admitted to trading on a regulated market in the UK.

Under Rule 9 of the Takeover Code, when any person who, together with persons acting in concert with that person, is interested in shares which in aggregate carry not less than 30% of the voting rights of a company, but does not hold shares carrying more than 50% of such voting rights and such person, or any person acting in concert with such person, acquires an interest in any other shares which increases the percentage of the shares carrying voting rights in which that person is interested, then in either case, that person is normally required to make a general offer in cash for all the remaining equity share capital of that company at the highest price paid by that person, or any persons acting in concert with that person, for shares in that company within the 12 months prior to the announcement of the offer.

Under Rule 37 of the Takeover Code, when a company purchases its own voting shares, any resulting increase in the percentage of shares carrying voting rights in which a person or group of persons acting in concert is interested will be treated as an acquisition for the purpose of Rule 9 of the Takeover Code. However, Rule 37.1 also provides that, subject to prior consultation, the Takeover Panel will normally waive any resulting obligation to make a general offer if approved by a vote, on a poll, of independent shareholders.

If, pursuant to the Buyback Authority, the Company were to repurchase shares from persons other than the Principal Shareholder Group, that repurchase would ordinarily, in the absence of a waiver granted by the Takeover Panel and the approval of the Waiver Resolution, have the effect of triggering Rule 9 of the Takeover Code because it would increase the Principal Shareholder Group's percentage holding of ordinary shares and result in the Principal Shareholder Group being under an obligation to make a general offer to all shareholders of the Company.

The Takeover Panel was consulted at an early stage regarding the Waiver Resolution and the Buyback Authority. It has reviewed this document, including the form of the Waiver Resolution and the Buyback Authority, and has agreed, subject to the Independent Shareholders' approval on a poll of Resolution 19 and in accordance with Rule 37.1 of the Takeover Code, to waive the application of Rule 9 of the Takeover Code in relation to any increase in the percentage of ordinary shares held by the Principal Shareholder Group solely as a result of exercise by the Company of the Buyback Authority up to a maximum of 47.93%.

As explained in the notes to Resolution 20, the authority being sought under that resolution is limited to 128,515,118 ordinary shares so that repurchases by the Company up to the maximum amount allowed under the Buyback Authority (if such repurchases were exclusively from persons other than the Principal Shareholder Group) would not result in the Principal Shareholder Group holding more than 47.93% of the Company's ordinary shares, which is the level it held prior to the simplification of the Company's dual share class structure in September 2022.

The approval in the Waiver Resolution (if it is given) shall expire (unless previously renewed, varied or revoked by the Company at a general meeting) at the end of the Company's next annual general meeting or, if earlier, the close of business on 30 June 2025.

The approval of the Waiver Resolution at the AGM will not restrict the Principal Shareholder Group from making an offer for the Company (as the Principal Shareholder Group is already entitled to do as at the date of this document).

Resolution 20 – Authority to purchase own shares

If passed, Resolution 20 would renew the Company's general authority to make purchases of its ordinary shares. This authority is limited to 128,515,118 ordinary shares, representing approximately 8% of the Company's total issued share capital as calculated at the Latest Practicable Date. The authority also sets limits on the price which may be paid for any shares repurchased by the Company and is limited to market purchases on the London Stock Exchange or (so far as required under the Listing Rules) market purchases by tender offer to all shareholders.

Purchases under this authority would only be made where the Directors believe that they are in the best interests of the Company, taking into account other available investment opportunities and the overall financial position of the Group, and where earnings per share would be increased (except possibly in respect of purchases made in relation to the issue of ordinary shares under the Company's share plans). Any purchases require the prior consent of the PRA.

The authority being sought is limited to 128,515,118 ordinary shares so that repurchases by the Company up to the maximum amount allowed under the Buyback Authority (if such repurchases were exclusively from persons other than the Principal Shareholder Group) would not result in the Principal Shareholder Group holding more than 47.93% of the Company's ordinary shares, which is the level it held prior to the simplification of the Company's dual share class structure in September 2022.

If the Company were to purchase any ordinary shares pursuant to this authority, the Directors would consider whether to cancel those shares or (subject to the limits allowed by company law) hold them as treasury shares.

In the period between the previous authority which was given at the annual general meeting held on 27 April 2023 and the Latest Practicable Date, no ordinary shares have been purchased and cancelled by the Company. As at the Latest Practicable Date, there were no options or warrants to subscribe for ordinary shares and there were no ordinary shares held in treasury.

The authority given by this resolution would, unless renewed prior to such time, expire at the conclusion of the next AGM of the Company (or, if earlier, the close of business on 30 June 2025) save that the Company may before such expiry enter into a contract to purchase shares which would or might be completed or executed wholly or partly after its expiry and may make a purchase of shares in pursuance of any such contract as if the authority had not expired.

Resolution 21 – Notice of general meetings

Under the Act, the Company may call a general meeting, other than an AGM, by giving 14 days' clear notice to shareholders. Under the Companies (Shareholders' Rights) Regulations 2009 this period is extended to 21 clear days unless the Company has obtained shareholder approval for a shorter period. This resolution would maintain the current position as agreed by shareholders at the 2023 AGM.

AGMs will still require at least 21 clear days' notice. The shorter notice period would not be used as a matter of routine but only where the flexibility was merited by the business of the meeting and was thought to be in the interests of shareholders as a whole.

SHAREHOLDER NOTES

1. Attending the AGM

We consider the AGM to be an important part of our shareholder communications programme. The AGM will be held at 1 London Wall Place and via a live online broadcast using the Lumi platform.

If you wish to attend the AGM remotely, you can do this by accessing the Lumi website, <https://web.lumiagm.com/144311116>. Full details of how to join are set out in Appendix 1, including information on how to ask questions at or before the meeting.

The electronic facility, Lumi, will be launched from the date of dispatch of the Notice. At this point, questions can be submitted on the facility prior to the commencement of the AGM.

2. Entitlement to vote

Shareholders entitled to attend and to speak and vote at the meeting are entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A Proxy Form for shareholders which may be used to make such appointment and give proxy instructions accompanies this Notice. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, entitlement to attend and vote at the meeting and the number of votes which may be cast will be determined by reference to the Register of Members at 6.00 p.m. on Tuesday, 23 April 2024 (or in the event of any adjournment at 6.00 p.m. on the date which is two days before the date of the adjourned meeting excluding any non-working days). Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend and vote at the meeting.

3. Voting

All resolutions will be voted on a poll at the AGM. Votes will be counted immediately following the meeting and the results will be published via the Regulatory News Service as soon as possible after the meeting and will also be available on our website.

The return of a completed Proxy Form, e-proxy, other proxy instrument or any CREST Proxy Instruction (as described in paragraph 8) will not prevent a shareholder from attending the AGM and voting in person or online if he/she wishes to do so. Your vote is important to us. If you are unable to attend remotely or in person and vote on the day, we strongly encourage you to vote in advance of the AGM by submitting a Proxy Form, e-proxy or CREST Proxy Instruction.

If you are a participant in the Schroders Share Incentive Plan, you will receive an email explaining how you can submit your voting instructions.

Shareholders are reminded of their right under section 360BA of the Act to request, within thirty days of the AGM, information which enables them to determine that their vote on a poll at the general meeting was validly recorded and counted by the Company.

4. Right to appoint a proxy

To be valid, any Proxy Form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at the Company's Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY no later than 11.30 a.m. on Tuesday, 23 April 2024.

If you are an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Company's registrar, Computershare Investor Services PLC. 5. Electronic proxy voting through the internet

Shareholders who prefer to register the appointment of their proxy electronically via the internet can do so at www.investorcentre.co.uk/eproxy where full instructions are given. The Control Number, PIN and shareholder reference number (SRN) printed on the Proxy Form will be required. Any communication found to contain a computer virus will not be accepted.

6. Nominated persons

Any person to whom this Notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 2 to 5 above does not apply to Nominated Persons.

As at the Latest Practicable Date, the Company's issued share capital consisted of 1,612,071,525 ordinary shares, carrying one vote each. No ordinary shares were held in treasury. Therefore, the total voting rights in the Company as at the Latest Practicable Date were 1,612,071,525.

8. Electronic voting through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed (a) service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by 11.30 a.m. on Tuesday, 23 April 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors, or voting service providers, should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

If multiple questions on the same topic are received in advance of the AGM, the Chair may choose to provide a single answer to address shareholder queries on the same topic.

Any shareholder attending the meeting, in person or electronically, has the right to ask questions. The Company must cause to be answered any question relating to the business being dealt with at the meeting but no answer need be given if:

- i. to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
- ii. the answer has already been given on a website in the form of an answer to a question; or
- iii. it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

10. Overview of the Principal Shareholder Group

The history of Schroders began in 1804 when JH Schröder became a partner in J.F. Schröder & Co, a London-based firm founded by his brother JF Schröder. It has evolved since then into the company today known as Schroders plc. Throughout that time the Schroder family have maintained a significant interest in the business, which the Company believes has been a significant benefit to it. Today, the interests of some members of the Schroder family (being certain descendants of the late Helmut Schroder and, in some cases, their spouse or former spouse) are spread across a number of parties, who are collectively known as the Principal Shareholder Group.

The Principal Shareholder Group is comprised of a number of private trustee companies (and investment companies controlled by those trustee companies), a number of Schroder family individuals, and a Schroder family charity which, directly or indirectly, are Shareholders in the Company. The members of the Principal Shareholder Group are presumed to be acting in concert with each other for the purposes of the Takeover Code.

The Principal Shareholder Group currently holds 711,068,586 ordinary shares (comprising 44.11% of the issued ordinary shares) in the Company. This is comprised as follows:

- (A) 662,474,955 of the ordinary shares (41.09%) are owned directly or indirectly by four private trustee companies which act as the trustees of various trusts settled by the Schroder family and investment companies wholly owned by the private trust companies. The trustee companies are Vincitas Limited, Veritas Limited, Alster Limited and Treva Limited. Flavida Limited and Fervida Limited are protector companies which act as protectors of certain of those trusts, and therefore also form part of the Principal Shareholder Group;

- (B) 29,364,559 of the ordinary shares (1.82%) are owned directly or indirectly by certain trustee and investment companies following the execution of the estate of Bruno Lionel Schroder (dec'd). The trustee companies are Lionel Trustees I Limited and Lionel Trustees II Limited. The investment companies are MEB Investments Limited, CRH Investments Limited and JMF Investments Limited, which are controlled by those trustee companies;
- (C) 16,877,633 of the ordinary shares (1.05%) are personally held, directly or indirectly, by certain Schroder family individuals (who are direct descendants of the late Helmut Schroder or, in some cases, a former spouse of such direct descendants) certain of whom are also employees of the Company's Group¹; and
- (D) 2,351,439 of the ordinary shares (0.15%) are owned by the Schroder Charity Trust, a family charity.

The parties described in sub-paragraphs (A) to (D) together comprise the **"Principal Shareholder Group"**.

¹ One of these individuals also has an interest in 534 phantom ordinary shares as part of a Share in Success Award pursuant to the Company's Deferred Award Plan (which will only be cash settled and will not therefore result in that employee receiving additional ordinary shares).

Dealings of the Principal Shareholder Group

No member of the Principal Shareholder Group has dealt in ordinary shares in the 12 month period ending on the Latest Practicable Date, save as set out below:

<u>Date</u>	<u>Nature of transaction</u>	<u>Number of ordinary shares</u>	<u>Price per share (£)</u>

Under that agreement, on 20 March 2023, members of the Principal Shareholder Group acquired 16,089,467 ordinary shares (representing just under 1% of the total issued share capital of the Company) pursuant to the 1% Bounceback.	16,089,467	£4.710345

11. Relationship between the Principal Shareholder Group and the Company

11.1 Relationship Agreement

Companies with a shareholder or shareholders who could, when acting in concert, exercise 30% or more of the voting rights of a company at a general meeting, are required under the Listing Rules to enter into a binding agreement with that shareholder or shareholders. This is intended to ensure that the parties to the agreement comply with certain independence provisions in the Listing Rules. Accordingly, on 14 November 2014, the Company entered into such an agreement with members of the Principal Shareholder Group holding ordinary shares at that time.

Additional persons who have since become members of the Principal Shareholder Group holding ordinary shares have adhered to the Relationship Agreement.

Further details of the members of the current Principal Shareholder Group and their interests in ordinary shares are set out in section 10 of this 'Additional Information' section.

The key provisions of the Relationship Agreement are undertakings from each member of the Principal Shareholder Group, as required by Listing Rule 6.5.4, that:

- transactions and arrangements between the Company's Group and that person (and/or any of its associates) will be conducted at arm's length and on normal commercial terms;
- neither the Principal Shareholder Group nor any of its associates will take any action that would have the effect of preventing the Company from complying with its obligations under the Listing Rules; and
- neither the Principal Shareholder Group nor any of its associates will propose or procure the proposal of a resolution at a general meeting of the Company which is intended or appears to be intended to circumvent the proper application of the Listing Rules.

11.2 Banking and wealth management arrangements

The Company's Group provides private banking and wealth management services to certain members of the Principal Shareholder Group. These arrangements are conducted at arm's length and on normal commercial terms.

11.3 Buyback-related agreements

The Principal Shareholder Group has not procured any irrevocable commitment or letter of intention from any person in relation to the Waiver Resolution or any buyback of ordinary shares by the Company.

11.4 Directors connected to the Principal Shareholder Group

Two of the members of the Board, Claire Fitzalan Howard and Leonie Schroder, are members of the Principal Shareholder Group. For over 40 years the Board has included two directors with a connection to the Principal Shareholder Group.

Whilst there is no obligation for the Board to include directors connected to the Principal Shareholder Group, or formal right of the Principal Shareholder Group to Board representation, the Board believes such membership benefits the Company in aligning interests and reinforcing long term thinking, and reflects the commitment to the Company of the Principal Shareholder Group, which the Board considers has been an important part of the Company's success over the long term.

As the Principal Shareholder Group is considered to be interested in the outcome of the Waiver Resolution, Claire Fitzalan Howard and Leonie Schroder have made no recommendation on the Waiver Resolution.

Details of the interests of Claire Fitzalan Howard and Leonie Schroder in the issued share capital of the Company are set out in section 5 of this 'Additional Information' section. Details of their appointment letters and emoluments as Directors of the Company are set out in section 6 of this 'Additional Information' section.

which in any such case has any connection with or dependence upon the Waiver Resolution.

Save as set out in this document, no agreement, arrangement or understanding (including any compensation arrangement), exists between the Principal Shareholder Group or any person acting in concert with the Principal Shareholder Group and any of the Directors, recent directors, shareholders or recent shareholders of the Company, or any person interested in or recently interested in shares of the Company, having any connection with or dependence upon the proposals set out in the Waiver Resolution.

In this section 12, reference to:

“*acting in concert*” has the meaning given to it in the Takeover Code;

“*relevant securities*” means ordinary shares and securities carrying conversion or subscription rights into ordinary shares;

“*derivatives*” includes any financial product, whose value in whole or in part is determined directly or indirectly by reference to the price of an underlying security;

“*short position*” means a short position, whether conditional or absolute and whether in the money or otherwise, and includes any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery;

“*associated company*” means in relation to any company that company’s parent, subsidiaries and fellow subsidiaries, and their associated companies, and companies of which such companies are associated companies. For these purposes, ownership or control of 20% or more of the equity share capital of a company is regarded as the test of associated company status;

“*connected adviser*” means:

- (A) in relation to the Company (i) an organisation which is advising the Company in relation to the Waiver Resolution and the Buyback Authority; and (ii) a corporate broker to the Company;
- (B) in relation to a person who is acting in concert with the Principal Shareholder Group or with the Directors, an organisation (if any) which is advising that person either (i) in relation to the Waiver Resolution and the Buyback Authority; or (ii) in relation to the matter which is the reason for that person being a member of the relevant concert party; and

- (G) any other action resulting, or which may result, in an increase or decrease in the number of securities in which a person is interested or in respect of which he or she has a short position.

For the purposes of this section 12 a person is treated as “*interested*” in securities if he or she has long economic exposure, whether absolute or conditional, to changes in the price of those securities (and a person who only has a short position in securities is not treated as interested in those securities).
