

**3 April 2024**

Dear Shareholder,

## **Schroder International Selection Fund (the "Company") – Alternative Securitised Income (the "Fund")**

We are writing to inform you that on 15 May 2024 (the "Effective Date") the dealing cut off time and settlement period of the Fund will change.

The dealing cut off time will change from *"13.00 Luxembourg time 5 Business Days before the applicable Dealing Day"* to *"13:00 Luxembourg time on Dealing Day"*.

The settlement period will change from *"Within 4 Business Days following the relevant Dealing Day"* to *"within 3 Business Days following the relevant Dealing Day"*.

### **Background and rationale**

The Fund was launched in December 2019 and, given the nature of the strategy, it was designed with a longer than usual dealing cut-off and settlement period in case this time was required to allow for trading either into or out of the Fund.

However, since the launch we have monitored the credit rating of the holdings and longevity of client investments and have concluded that the dealing terms can be aligned with the standard for our Luxembourg funds.

The extent of the change to the risk/reward profile of the Fund as a result of this change is non-significant.

All other key features of the Fund, including the relevant risk indicator and fees, will remain the same.

### **Redeeming or switching your shares to another Schroders fund**

We hope that you will choose to remain invested in the Fund following these changes, but if you do wish to redeem your holding in the Fund or to switch into another of the Company's sub-funds before the Effective Date you may do so at any time up to and including deal cut-off on 7 May 2024. Please ensure that your redemption or switch instruction reaches HSBC Continental Europe, Luxembourg ("HSBC") before this deadline. HSBC will execute your redemption or switch instructions in Accordance with the provisions of the Company's prospectus, free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local deal cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach HSBC before the deal cut-off given above.

You can find the Fund's updated key information document (the KID) for the relevant share class and the Company's Prospectus at [www.schroders.com](http://www.schroders.com).
