Dear Shareholder,

Schroder International Selection Fund (the "Company")

Internal Indirect Delegation Arrangements

The board of directors of the Company would like to inform you about a regulatory non-compliance incident. For a number of years, we have sub-delegated a certain proportion of the assets of the Funds (as defined below) to other Schroder group entities (the "Indirect Delegations") without notifying the relevant shareholders or obtaining the Securities and Futures Commission ("SFC")'s prior approval. We confirm that there was no negative impact on the Funds and no losses to shareholders of the Funds as a result of the Indirect Delegations and that the interests of Hong Kong investors have not been prejudiced.

The investment managers ("Investment Managers") of the sub-funds of the Company listed in the Appendix (each a "Fund" and collectively the "Funds") have, at their own expense, allocated the investment management of certain proportion of the assets of the Funds to other Schroder group entities (the "Sub-Investment Managers"). Due to inadvertent oversight in internal procedures, we have not obtained the SFC's prior approval of these Indirect Delegations, nor informed shareholders of the Funds of the Indirect Delegations before they took effect, nor have the Indirect Delegations been disclosed in the Hong Kong offering documents of the Company, resulting in non-compliance with 11.1(b), 11.1A and C3(c) of Appendix C to the Code on Unit Trusts and Mutual Funds. Please refer to the Appendix for the Sub-Investment Managers of each Fund and the effective dates of the Indirect Delegations.

We have now obtained the approval of the SFC to the Indirect Delegations, and the Hong Kong offering documents of the Company (comprising the Prospectus, Hong Kong Covering Document and Product Key Facts Statements) will accordingly be updated as soon as possible to reflect the Indirect Delegations. The revised Hong Kong offering documents are available free of charge at www.schroders.com.hk¹ or upon request from the Hong Kong Representative of the Company, Schroder Investment Management (Hong Kong) Limited (the "Representative") at Level 33, Two Pacific Place, 88 Queensway, Hong Kong.

¹ This website has not been reviewed by the SFC.

We apologise for the delay in notifying you of the Indirect Delegations. You are not required to take any action regarding the arrangements described in this letter. We hope that you will choose to remain invested in the Funds, but if you wish to redeem or switch your holding in the Funds you may do so as detailed in the section headed "Available Options" below.

Rationale for the Indirect Delegations

The Schroder Group is a global asset management group with local presence in a significant number of jurisdictions. As a multinational group, we leverage resources and expertise (including investment management expertise) from our various offices around the world where we consider this to be in the best interests of investors. The Investment Managers of the Funds have allocated the investment management of certain asset classes or strategies to specialist investment teams located in other Schroder Group entities in order to access their expertise and experience in such strategies in the best interests of investors in the Funds.

Impact of the Indirect Delegations

We confirm that:

- (a) each of the Funds is managed by an investment manager that has been approved by the SFC and disclosed in the Hong Kong offering documents of the Company;
- (b) each of the Sub-Investment Managers had already been approved by the SFC to act as an investment manager for, and is currently managing, other SFC-authorized funds of the Company directly;
- (c) all of the investment managers and the Sub-Investment Managers of the Funds are wholly owned subsidiaries of the Schrodgers Group and so are subject to the Schroder Group's control standards and policies, including, for example, with respect to investment risk and trading activities;
- (d) each of the Funds has been managed and is continuing to be managed in accordance with its investment objectives, policies and restrictions as disclosed in the Hong Kong offering documents of the Company; and
- (e) there are no additional fees and expenses charged to the Funds in relation to the Indirect Delegations.

There will not be any changes to the operation and/or manner in which the Funds are being managed, and there will be no change to the investment objective, policies and restrictions of the Fund or to the risks applicable to the Funds. The level of management fee payable by the Funds will remain unchanged.

On this basis, we confirm that there was no negative impact on the Funds and no losses to shareholders of the Funds as a result of the Indirect Delegations and that the interests of Hong Kong investors have not been prejudiced.

We have enhanced our internal control procedures to require timely communication of any proposed indirect delegation arrangements going forward so that we can seek the SFC's prior approval where required before such arrangements are put in place. We are further investigating the matter and this will include appointing independent external auditors to conduct an independent review of all SFC-authorized sub-funds² of the Company for compliance with the relevant requirements of the Code on Unit Trusts and Mutual Funds.

Available Options

You are not required to take any action in respect of the matters described in this letter. We hope that you will choose to remain invested in the Funds, but if you wish to redeem your holding in the Funds or to switch into another of the Company's sub-funds authorized by the SFC², you may do so at any time. We will execute your redemption or switch instructions in accordance with the provisions of the Hong Kong offering documents of the Company. If you submit your redemption or switching request any time before 5:00 p.m. Hong Kong time on 18 May 2020, we will execute such redemption or switching requests free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local deal cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach the Representative in Hong Kong before the deal cut-off at 5:00 p.m. Hong Kong time on 18 May 2020.

Costs

Costs related to the Indirect Delegations, including regulatory and shareholder communication costs and costs of updating the Hong Kong offering documents, will be borne by Schroder Investment Management (Europe) S.A. which is the Company's management company.
