Forward-looking statements

This presentation may contain forward-looking statements with respect to the financial condition, performance and position, strategy, results of operations and businesses of the Schroders Group. Such statements and forecasts involve risk and uncertainty because they are based on current expectations and assumptions but relate to events and depend upon circumstances in the future and you should not place reliance on them. Without limitation, any statements preceded or followed by or that include the words 'targets', 'plans', 'sees', 'believes', 'expects', 'aims', 'will have', 'will be', 'estimates' or 'anticipates' or the negative of these terms or other similar terms are intended to identify such forward-looking statements. There are a number of factors that could cause actual results or developments to differ materially from those expressed or implied by forward-looking statements and forecasts. Forward-looking statements and forecasts are based on the Directors' current view and information known to them at the date of this interim management statement. The Directors do not make any undertaking to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Nothing in this interim management statement should be construed as a forecast, estimate or projection of future financial performance.
