Dear Shareholder,

Schroder International Selection Fund (the "Company") – Currency Hedged Shares

The Company offers shares in its sub-funds (the "Funds") in a range of currencies to assist Shareholders in managing their exposure to changes in exchange rates. Given the cost and effort involved in offering a currency hedging service on currency hedged Share Classes, the board of directors of the Company has decided to introduce a fee on all currency hedged Share Classes (the "Hedging Charge") of up to 0.03% per annum of the net asset value per share with effect from 30 March 2018 (the "Effective Date"). The Hedging Charge will be payable to the Company's management company, Schroder Investment Management (Luxembourg) S.A. (the "Management Company"), which provides the currency hedging service.

The ongoing charge figures of the currency hedged Share Classes of the Funds will increase as a result of the introduction of the Hedging Charge. Please refer to the Appendix to this letter for the estimated ongoing charge figures of the currency hedged Share Classes of the Funds.

All other key features of the Funds, including other fees chargeable in respect of the Funds and the risk profile of the Funds, will remain the same. The introduction of the Hedging Charge will not result in any change in the operation and/or manner in which the Funds are being managed and will not materially prejudice the rights or interests of the existing Shareholders.

The Hong Kong offering documents of the Company (comprising the Prospectus, Hong Kong Covering Document and Product Key Facts Statements) will be revised in due course to reflect the above changes. The Hong Kong offering documents are available free of charge at www.schroders.com.hk¹ or upon request from the Hong Kong Representative of the Company, Schroder Investment Management (Hong Kong) Limited (the "Representative") at Level 33, Two Pacific Place, 88 Queensway, Hong Kong.

We hope that you will choose to remain invested in the currency hedged Share Classes of the Funds following these changes, but if you wish to redeem your holding or to switch into a non-currency hedged Share Class of the Funds authorized by the Securities and Futures Commission ("SFC")² before the Effective Date you may do so at any time up to and including the deal cut-off at 5:00 p.m. Hong Kong time on 29

¹ This website has not been reviewed by the SFC.

² SFC authorization is not a recommendation or endorsement of a scheme nor does it guarantee the commercial merits of a scheme or its performance. It does not mean the scheme is suitable for all investors nor is it an endorsement of its suitability for any particular investor or class of investors.

March 2018. We will execute your redemption or switch instructions in accordance with the provisions of the Company's Prospectus, free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local deal cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach the Representative in Hong Kong before the deal cut-off at 5:00 p.m. Hong Kong time on 29 March 2018.

Costs of making these changes including regulatory and shareholder communication costs will be borne by the Management Company.

If you have any questions or would like more information, please contact your usual professional advisor or the Representative at Level 33, Two Pacific Place, 88 Queensway, Hong Kong or calling the Schroders Investor Hotline on (+852) 2869 6968.

Yours faithfully,

³ The ongoing charges figure is based on the annualised expenses for the interim period ended 30 June 2017. This figure may vary from year to year.

⁴ The ongoing charges figure is an estimate based on the annualized expenses for the interim period ended 30 June 2017 with adjustments to reflect the introduction of the Hedging Charge with effect from the Effective Date. The actual figure may be different from this estimated figure and may vary from year to year. For the avoidance of doubt, the Hedging Charge will not exceed 0.03% per annum of the net asset value per share.

* The name "Dividend Maximiser" refers to the investment objective of the fund to enhance the fund dividend by generating extra income from selling covered call options on the underlying equity portfolio and this may reduce the potential capital growth and future income of the fund. It does not suggest that the manager would aim at seeking the highest possible dividends for the fund.
