Dear Shareholder,

Schroder International Selection Fund — QEP Global ESG

We are writing to advise you that a fund in which you are invested is due to receive assets from another fund through a merger. This merger is not expected to have any impact on your investment. The size of the merging fund represents approximately 43% of the fund in which you are invested as at 31 March 2020. We have provided full details of this merger below.

On 09 December 2020 (the "Effective Date"), Schroder International Selection Fund — QEP Global Blend (the "Merging Fund") will merge into Schroder International Selection Fund — QEP global ESG (the "Receiving Fund"). Dealing in the Receiving Fund will not be interrupted by the merger.

The decision to merge the sub-funds was taken by the board of directors of Schroder International Selection Fund (respectively the "Board" and the "Company").

Upon review, the Board of the Company concluded that, given the relative size of the Merging Fund and the similarity in investment approach between the Merging Fund and Receiving Fund, shareholders in the Merging Fund will benefit from a merger with the Receiving Fund. The Merging Fund has approximately USD 130 million under management as of 31 March 2020 while the Receiving Fund has approximately USD 300 million under management as of the same date. Shareholders in the Merging Fund will be merged into a sub-fund which, the Board believes, will give shareholders access to a similar investment strategy with a similar risk profile.

A merger into the Receiving Fund offers investors of the Merging Fund an alternative fund with a broadly similar investment approach; both funds focus on companies worldwide and utilise the same investment process. The investment exposure of both the Merging Fund and the Receiving Fund offers some commonality across companies and regions although the Receiving Fund has an additional focus on Environmental, Social and Governance factors when selecting holdings.

The Board has therefore decided, in accordance with Article 5 of the articles of incorporation of the Company (the Articles) and the provisions of the prospectus of the Company and in the interest of both funds' shareholders, to merge the Merging Fund into the Receiving Fund.

This notice is required by Luxembourg law and is being sent to you for informational purposes only.

Impact on the Receiving Fund's investment portfolio and performance

The Receiving Fund will continue to be managed in line with its investment objective and strategy after the merger. Prior to the merger the Merging Fund will dispose of any assets that are not in line with the Receiving Fund's investment portfolio or which cannot be held due to investment restrictions. The Receiving Fund's investment portfolio will not need to be rebalanced before or after the merger. Consequently the

Board does not foresee any material impact on the Receiving Fund's investment portfolio or performance as a result of the merger.

Expenses and costs of the merger

The expenses incurred in the merger, including the legal, audit and regulatory charges, will be borne by the Company's management company, Schroder Investment Management (Europe) S.A. (the "Management Company"). The Merging Fund will bear the market-related transaction costs associated with the disposal of any investments that are not in line with the Receiving Fund.

Effective date and rights of shareholders

The merger will be implemented on 09 December 2020 (the "Effective Date"). As a shareholder in the Receiving Fund you have the right to redeem your holding or switch it into the same share class of one or more of the Company's other sub-funds prior to the merger. If you do not wish to continue to hold shares in the Receiving Fund after the merger you may at any time up to and including deal cut-off at 1:00 p.m. Luxembourg time on 09 December 2020 send your instructions to redeem or switch your shares for execution prior to the merger. HSBC France, Luxembourg branch ("HSBC")¹ will carry out your instructions free of charge in accordance with the provisions of the prospectus of the Company. Please note that some distributors, paying agents, correspondent banks or similar agents may charge you transaction fees. Please also note that they might have a local deal cut-off which is earlier than the Receiving Fund's cut-off time in Luxembourg, and we recommend that you check with them to ensure that your instructions reach HSBC before the deal cut-off given above.

Redemption and / or switching of shares may affect the tax status of your investment. We therefore recommend you to seek independent professional advice in these matters.

Exchange ratio and treatment of accrued income

On the Effective Date, the net assets and liabilities of the Merging Fund, including any accrued income, will be calculated in its final net asset value per share for each share class and shareholders in the Merging Fund will be issued shares of an equal amount by value of shares in the Receiving Fund at the net asset value per share calculated on that day or at the initial issue price for the corresponding share class. Thereafter accrued income will be accounted for on an on-going basis in the net asset value per share for each share class in the Receiving Fund. Any income accrued in the Receiving Fund prior to the merger will not be affected.
