

Instructions: registering for HSBC's Investor Insight.

General notes

The application forms for our online service – Investor Insight – which is hosted by HSBC, can be found on the [Investor Insight site](#). You will need to download, complete, print and sign the form, and attach a copy of your company authorised signatory list. Return a scanned copy of all documents to your local Investor Services team, details below. Once your registration has been processed, each new user will receive an e-mail with details of how to access to Investor Insight
